TANGLEWOOD SUB, ST PETERSBURG, FL

Tranquility awaits you at this exceptional opportunity to redevelop, reconfigure, or renovate this waterfront beauty! Stunning water views will captivate you from the moment you step through the front door. Watching the dolphin and manatee play in your backyard will become the favorite part of your day!

Uniquely, this property is located on what feels like a more open bayou-like view, not a traditional narrow canal. Along with the view, you will have direct deep water access to Tampa Bay and no bridges to fuss with! A large dock with boat lift gives you peace of mind and protection for your large vessel. This home was impacted by Helene and has had damaged materials cut out and removed. The existing floor plan is available, and the layout features a 3-way split with 3 large bedrooms, all with en-suite bathroom access, large closet space, and an indoor laundry room. The primary bedroom features a large bathroom with a standalone tub and views of water and pool. Oversized 2-car garage with hurricane-rated garage door and side mount opener.

The stunning landscaping and paved circular driveway add an elevated, sophisticated first impression when you pull up to this home.

Large windows along the rear of the home complement the beautiful water view.

The private backyard features a very spacious

shellock paved patio with ample space to dine and lounge. The covered outdoor kitchen area is fully set up with plumbing and hookups for a sink, icemaker, fridge, and a designated BBQ space – the perfect setup for entertaining.

There is even an outdoor shower (heating element will need to be replaced).

The newer Sekas Custom pool includes a sitting area, large spa, and sun shelf. The pool is equipped with an autofill system, so there are no worries about water levels while away. Both pool and spa pumps were replaced after Helene and are in good working order. A propane hookup for the spa heater is in place; however, both heaters are currently non-operational.

Tanglewood is a beautiful neighborhood conveniently located near downtown St. Pete, 4th Street restaurants and shopping, with quick access to South Tampa, numerous golf courses, and more. Easy access to Downtown St. Petersburg and our world-famous beaches. This home provides the perfect balance of tranquility and accessibility. Don’t miss the opportunity to make this waterfront paradise your own. Home is being sold as-is and will likely require a cash, hard money, or renovation/construction loan. Solar panels are owned and paid off, offering long-term savings on electric bills.
